Hi Fern – I think the change is intended to be permanent. The idea is to use up the “excess” money that doesn’t go out to districts right off the bat, so I think that would be a permanent change.

Good morning, Sara.

I have a quick question about your request increasing the reimbursement rate for pupils transported over 12 miles. Is the increase solely for the 2013-14 and 2014-15 school years so that it would revert to the \$220 amount if no statutory changes were made prior to the 2015-16 school year or is the increase intended to be effective for the 2013-14 school year and thereafter?

Thanks,

Fern
